Welcome & Introductions	The regular scheduled monthly work session was called to order by Board Chair Mark Roylance at 3:39 p.m.	
Public Comment	None	
Approve of July Work Session Minutes		Rex moved to approve the July work session minutes. Lee seconds. Motion Passes.
Q&A with Robert Giblin	Robert Giblin from the Downtown Missoula Partnership spoke to the DHI General Membership meeting in August. Several Board members attended that meeting but at the request of Mark, Robert came back to share with the Board ways Missoula has taken action on how to maintain a clean and safe downtown. One of the larger conversations was centered on how Missoula collaborated with the City to bring in another police officer who is assigned to just the downtown.	
Adjourn	Meeting ended at 4:55 p.m.
